We have audited the Political Party Financial Transactions Return of the Canadian Reform Conservative Alliance for the year ended December 31, 2001. This return is the responsibility of the Organization's management. Our responsibility is to express an opinion on this return based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall return presentation.

In our opinion, this return presents fairly, in all material respects, the financial transactions of the Organization for the year ended December 31, 2001 and is based on financial records of the Organization which are in accordance with Canadian generally accepted accounting principles.

1. Purpose of the Fund

a) Organization's Purpose

The purpose of the Canadian Alliance Fund is to be the Chief Agent of the Canadian Reform Conservative Alliance pursuant to the Canada Elections Act. As agent of a registered political party, the Canadian Alliance Fund is responsible for all financial and business transactions of the Party. The Fund operates on a four-year business cycle in correlation with the year of a federal election. The last general federal election was in the year 2000.

b) Intended Community Service

The Canadian Reform Conservative Alliance is a federal political party. Its objective is to promote and implement a legislative program that will improve the lives of Canadians.

c) Legal Status

The Canadian Alliance Fund is a non-profit Fund incorporated under Part II of the Canada Corporations Act. It is not subject to income taxes.

2. Basis of presentation

These financial statements include only the assets, liabilities, revenue and expenditures relating to the Canadian Reform Conservative Alliance and do not include the assets, liabilities, revenue and expenditures of the Canadian Reform Conservative Alliance constituency associations or candidates.

3. Summary of significant accounting policies

Method of accounting

Canadian Alliance Fund follows the restricted fund method of accounting for contributions.

3. **Summary of significant accounting policies** (Continued)

Fund Accounting

Canadian Alliance Fund has two funds from which the activities for all programs are administered.

The Unrestricted Fund accounts for the Funds program delivery and administrative activities. This fund reports unrestricted resources.

The Restricted Fund reports restricted resources designated for television advertising and by-elections.

Revenue Recognition

Revenues are recognized as revenue of the Fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributed Services

Volunteers provide human resources to assist the Fund in carrying out its activities. Because of the difficulty in determining their fair value, volunteer services are not recognized in the financial statements.

Inventory

Inventory comprised of promotional material and Party literature, is recorded at cost with cost being determined on a first-in, first-out basis. Inventory is held for sale to constituency associations or for public distribution without charge.

Capital assets and depreciation

Capital assets are recorded at cost. Depreciation is provided for on the following basis:

Computer equipment	- 30%, declining balance
Office equipment	- 20%, declining balance
Leasehold improvements	- 5 years, straight-line

3. Summary of significant accounting policies (Continued)

Financial Instruments

The Fund has estimated the fair value of its financial instruments, which includes cash and cash equivalents, receivables, bank indebtedness, payables and accruals, distributions due to constituency associations, distributions due to leadership campaigns, and deferred revenues. The Fund has used valuation methodologies and market information available as at year-end and has determined that the carrying amounts of such financial instruments approximate fair value in all cases.

Use of estimates

The preparation of the financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from and affect the results reported in these financial statements.

Cash and cash equivalents

Cash and cash equivalents consists of cash on hand and deposits with banks, net of overdrafts, and highly liquid temporary money market instruments with original maturities of three months or less. Bank borrowings are considered to be financing activities.

4. Capital assets

			2001	2000
	Cost	Accumulated Depreciation	**Net Book Value**	Net book Value
Computer equipment	$ 430,783	$ 331,854	$ **98,929**	$ 138,150
Office equipment	243,618	216,072	**27,546**	34,432

	$ 958,839	$ 828,165	$ **130,674**	$ 180,981

5. Bank indebtedness

Bank indebtedness consists of a loan from a banking syndicate, which was advanced for the purpose of financing the 2000 federal election campaign. The loan is due on October 21, 2002 and therefore has been classified as a current liability. The Fund also has a revolving credit facility of $1,000,000 available to finance seasonal fluctuations in revenue. Security for the bank indebtedness is provided by a general security agreement

6. Deferred revenue

Deferred revenue consists of delegate fees received in the current year for the 2002 national convention and ticket sales for other events to occur in 2002. Related expenses paid in the current year are accrued as prepaids.

7. Loans from constituency associations

The loans from constituency associations bear interest at 4%, are unsecured, and are repayable on December 31, 2003.

8. Commitments

a) Leases

The Fund leases office facilities under an agreement, which expires January 31, 2003. The minimum rental payments due over the next two years (including estimated operating costs) are approximately $222,000 per year.

The Fund has entered into various equipment leases, which require minimum rental payments of approximately $60,000 per year with various expiration dates.

b) Leadership election

At the year-end, the Canadian Alliance was in the process of electing a new leader for the Party. The leadership election was initiated by the Party's national council on October 11, 2001, with the first ballot result to be announced on March 20, 2002. As at December 31, 2001, the Fund had entered into supplier contracts of approximately $260,000 for election services to be supplied in 2002.

9. Transfer to unrestricted fund

During the year, the Fund received $57,857 from constituency associations to assist with the funding of the previous year's television advertising campaign. These funds were transferred from the restricted fund to the unrestricted fund in order to recover television advertising expenses paid for by the unrestricted fund during the 2000 federal election campaign.

10. Change in non-cash operating working capital

AUDITOR'S REPORT

To the Management Committee of
Communist Party of Canada

I have audited the balance sheet of the **Communist Party of Canada** as at December 31, 2000 and the statements of operations for the period November 9, 2000 to December 31, 2000, and cash flows for the period then ended. These financial statements are the responsibility of the association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurances whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and various estimates made by management, as well as evaluating the overall financial statements presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the political association as at December 31, 2000 and the results of its cash flows for the period from November 9, 2000 to December 31, 2000 then ended in accordance with generally accepted accounting principles.

AUDITOR'S REPORT
ON
POLITICAL PARTY TRUST FUND RETURN

To John Anderson, Chief Agent for The Green Party of Canada

As the Green Party of Canada did not maintain a trust fund for the fiscal year 2001, to be used for an election, its requirement to file the Political Party Trust Fund Return, under section 428 of the Canada Elections Act, was restricted to filing a nil return.

As such my audit was restricted to obtaining a letter of representation, signed by the Chief Agent, that the Party did not maintain a trust fund.

In my opinion, subject to the accuracy of the representation mentioned above, the nil return of the Political Party Trust Fund Return, for the fiscal year 2001, is in accordance with the Canada Elections Act.

AUDITOR'S REPORT

To John Anderson, Chief Agent for The Green Party of Canada

I have audited the Political Party Financial Transactions Return of the Green Party of Canada, for the fiscal year 2001, prepared in accordance with the requirements of the Canada Elections Act. This financial information is your responsibility as Chief Agent for the Party. My responsibility is to express an opinion on this financial information based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and the requirements of subsection 426(1) of the Canada Elections Act. Generally accepted auditing standards require that I plan and perform an audit to obtain reasonable assurance whether the Financial Transactions Return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Financial Transactions Return. An audit also includes assessing the accounting principles used and significant estimates made by the Chief Agent of the Party, as well as evaluating the overall presentation of the Financial Transactions Return.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of revenue from this source was limited to accounting for the amounts recorded in the books of the head office of the Party and from receipts provided by individual riding associations. Furthermore as the Party has minimum control over the expenses of the individual riding associations, only the expenses of the head office have been reflected in the Financial Transactions Return. As such I was not able to determine whether any adjustment might be necessary to revenue, expenses, excess of expenses over revenue, assets and net assets (liabilities).

In my opinion, except for the effect of adjustment, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the contributions and expenses referred to in the preceding paragraph. the Financial Transactions Return of The Green Party of Canada, for the fiscal year 2001, presents fairly the information contained in the financial records on which it is based in accordance with the accounting requirements of the Canada Elections Act.

I have audited the balance sheet of Green Party Of Canada (the Party) as at December 31, 2001 and the statement of revenue and expenses and changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as explained in the following paragraph I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of revenue from this source was limited to accounting for the amounts recorded in the books of the head office of the Party and from receipts provided by individual riding associations. Furthermore as the Party has minimum control over the expenses of the individual riding associations, only the expenses of the head office have been reflected in the financial statements. As such I was not able to determine whether any adjustment might be necessary to revenue, expenses, excess of revenue over expenses, assets and net assets (liabilities).

In my opinion, except for the effect of adjustment, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the contributions and expenses referred to in the preceding paragraph, these financial statements present fairly, in all material respect, the financial position of the Party as at December 31, 2001 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.
